

## Wyrd Worlds

An anthology of short stories by an international collection of science-fiction and fantasy writers, covering a wide range of what is known as speculative fiction, from slices of fantasy and time travel to steampunk and science-fiction. The tales vary widely, yet are all born from the same drive to create, share ideas and above all to entertain:

**TALES OF ERANA: THE BLUE PHIAL** by Alexandra Butcher - A short story from the world of *The Light Beyond the Storm Chronicles*.

**THE QRIM CHIEFTAIN** by Stan Morris - When a haughty princess scorns a barbarian chieftain, her city pays the price.

**ANTIMATTER ME** by Steph Bennion - The experiment had not been a success and now time was running out. Or was it running in?

**EXPLAIN THAT TO A MARTIAN** by Gary Weston - Drinkers sometimes see all kinds of things. But even I wasn't expecting to see a four-eyed Martian in my lounge...

**THE IMAGINARY INVASION** by Ubiquitous Bubba - When our reality is invaded by extra-dimensional beings, imaginary characters may be humanity's only hope.

**THE GUNS OF NAPOLEON** by Peter Lean - A professor of history, a mysterious scientific institute and an impossible painting in a story of time travel.

**CAUSALITY** by Neil Shooter - A dream of desolation and death. How can this end be a beginning? And how can a dream seem so real?

**NECROMANCER** by Emma Faragher - Mal is a necromancer. Now her greatest debt is being called in and her skills are needed. On a murder investigation, no less.

**KIRA** by Ross Harrison - Kira's town has so far survived the destruction wrought by the Government on so many others. But for how much longer?

**IN THE LAP OF THE GODS** by Steph Bennion - There are those who would stop at nothing to keep certain inventions from becoming a reality.

**MONDAY IMPS** by Alexandra Butcher - Have you ever wondered about

Mondays? Why is it everything seems to go wrong? There is a simple answer...SEPARATE WARS ON THE SAME STREET by Josh Karaczewski - A new war is being fought on the rooftops and alleyways by men in mech suits.MESRIN STATION by L. L. Watkin - Jan was never an upstanding citizen, but he was never stupid either; and now they are all in more trouble than they thought...HALF-BLOOD by Barbara G. Tarn - Giordano discovers hes a half-blood. His search for his real father will take him farther than he thought.
