

Aseptic Surgical Technique: With Especial Reference to Gyn?cological Operations Together With Notes on the Technique Employed in Certain Supplementary Procedures (Classic Reprint)

Excerpt from Aseptic Surgical Technique: With Especial Reference to Gyn?cological Operations Together With Notes on the Technique Employed in Certain Supplementary Procedures. In preparing this book I have availed myself of the writings of my predecessors in this field, and have gathered much from their work, especially from that of Schimmelbusch, Terrillon, and Sanger. The technique recommended is in the main that practised in the gyn?cological and surgical departments of the Johns Hopkins Hospital. I have to express my sincere thanks to Professor Welch, to Dr. L. F. Barker, and others for kind suggestions, and to Dr. F. R. Smith for the revision of the manuscript. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
