

[(Kids Piano Course 1: The Easiest Piano Method Ever!)] [Author: Christine H Barden] published on (March, 2010)

Alfred's Kids Piano Course 1 is a fun, easy method for kids ages five and up. Using language that's easy to understand, three irresistible piano experts (a clever classical dog, one cool cat, and a friendly alligator) guide students along. They keep children's attention focused by making music fun! The included CD contains demonstration and play-along tracks with accompaniment for each song.
