

# I Am Puppy, Hear Me Yap: The Ages of Dog

A charming collection of original and often hilarious insights into what puppies and young dogs really think. How do puppies see the world? One another? Us? I Am Puppy, Hear Me Yap offers honest, original, and often hilarious insights into how puppies and young dogs might answer these questions. From sleepy golden retriever pups to sophisticated poodles, personality shines through in each of Valerie Shaff's remarkable photographs. The images, accompanied by Blount's puppy poetry, with the canine measure somewhere between ordered and free, make this book a delight for dog lovers and, until dogs learn to talk, the best way to understand the inner puppy in all of them.
