

By the Dark of a Faerie Moon (Jerry Moon Supernatural Thrillers Book 2)

This second book of the series sees Jerry Moon, part-time nurse, freelance journalist and full-time psychic, called up to Scotland to investigate a chain of suspicious deaths that spans several centuries. When they reach Aberdeen, Moon and Sonia, his Goth girlfriend, find themselves caught up in a dizzying tangle of excitement and intrigue that involves elves, fairies, witches, secret agents, ghosts zombies, a necromancer and a really big pussy-cat. Written in the same tongue-in-cheek style as the first book, *By the Dark of a Faerie Moon* is an edge of your seat tour-de-force of supernatural combat, with the occasional break for a malt whiskey and some butter shortbread. Fun and chills from beginning to end.
