

Mech 3: The Empress (Imperium series)

A new form of alien, a human feudal society and an army of mech rebels clash in the fourth story of the Mech series. Ignis Glace is a war-torn world of fire and ice. Tidally-locked to its tiny red sun, one side of the planet bakes while the other side is forever frozen. Known as Sunside and Nightside, these two wastelands are bordered by a narrow inhabitable region known as Twilight. Humans and mechs battle for control of their world, even while a third player approaches the game: the Skaintz Imperium. Once the aliens strike, no world is ever the same. MECH 3 is the longest book of the series. A grim novel of Alien Invasion by bestselling author B. V. Larson.

Mech 3: The Empress (Imperium series)

(Imperium series) Fascinating world, great characters, pathos and excitement, storming read from start to finish. The Mech series is superb and well worth the money. If you have
