

Ms. Infinity

Join Earth's greatest hero on the adventure of a lifetime! In her daily life she's Bonnie, the petite, smart-mouthed customer service girl at The Big Box in Queens. She laughs it up with her best friend Lisa Lin, and falls all over herself around her work crush, Handsome Hal Holstein. Yet she is secretly an alien refugee from a distant world, possessing many awesome powers. For years, at the insistence of her mother, she has hidden her true self. Now she is at last coming forward, in her new alter ego as the superhero Ms. Infinity. But now Bonnie's past is haunting her, as a frightening villain from her despotic native world attacks the Earth. Bonnie is about to fly off to face her when Hal walks in on her transformation. With little time to think, she decides to bring him along, and he rides with her in her fantastic Starship Infinity. But dangers await that even Ms. Infinity is ill-prepared for. If she is to save the Earth, she will have to do the impossible. All the while, she confronts uncomfortable secrets from her past, and warms up to a budding romance. Ms. Infinity combines superhero adventure and science fiction with romance, humor, and a dash of social commentary. All this is tied together with an accessible writing style that is friendly to young adults but fun for all readers.
