

## The rivers sad dolphin - for guitar and flute or computer

This theme was originally written for acoustic classic guitar and transverse flute (in its 2nd and 3rd octave). The rhythm is something like a bossa nova, but in outlines. I tried to use here the same harmonic environment of other compositions with many passages with chords of fifth degree (dominant) with minor seventh in the bass, and progressions of major second. Let's hear what the dolphin has to say to us. Enjoy it.
