

Fundoscopy Made Easy, 1e

This is a further volume in the popular Made Easy series that covers the basic principles of funduscopy necessary for all medical students and a wide variety of junior doctors. It covers all the common conditions likely to be encountered and potentially examined in the MRCP and MRCGP examinations. Covers all common conditions, including all those likely to be examined in the MRCP and MRCGP examinations. Illustrated with high quality retinal images. In the well-known and successful Made Easy format.
