

The Cancer Directory

The definitive guide to natural and complementary medicines and clinics for those who have been diagnosed with cancer and wish to know their options. This book offers vital advice and information on how to fight cancer without choosing radiotherapy, chemotherapy or surgery. In The Cancer Directory internationally renowned holistic cancer consultant Dr Rosy Daniel provides authoritative medical advice on the appropriateness and efficacy of the most commonly used alternative treatments for cancer. She explains the background and usage of each treatment, the evidence for its use and its price, source and availability. The treatments and supplements covered include: Shark cartilage 714x Immunotherapy vaccines TVZ-7 lymphocyte treatments Cats Claw Maitake and Shitake mushrooms Coenzyme Q-10 This indispensable guide to holistic cancer care also reviews alternative clinics in the UK and around the world. It provides information about the therapeutic help that each provides, as well as an overview of organisations researching alternative cancer treatments and the scientific studies that are currently underway.
