

Coyote Renegade: The Defective Defector Defecates Defiantly (Coyote Redivivus) (Volume 8)

Too independent for control, too foolish to stop to think or change, the unlikeable legend centers himself as the world turns in circles & he observes the decline & fall of the East & West. Coyote continues, civilization continues, falling continues, & story-telling continuespopcorn anyone? These are traditional trickster stories applied to modern civilization, as sophisticated robots and new gods vie for attention in the rush of consumption.
